Dear Parents and Guardians,

We are excited to begin week three of this first quarter. I am so proud of all the hard work that our students are putting into achieving their goals. A special thank you to our teachers who continue to do a phenomenal job in establishing systems and routines that will help our scholars be responsible.

Looking ahead, on Thursday, August 15th, we invite all K-2 parents to join us for our Curriculum Night event. Please, note that we will have Curriculum Night for grades 3rd-5th on Tuesday, August 20th. At this event, you will learn more about our philosophy, culture, and curriculum. We will talk about the fundamentals of our student, parent, and faculty culture. Your child's teachers will bring you abreast of the curriculum your child will learn this school year, and you will have the opportunity to ask questions after. **Parents are strongly encouraged to be at this event.** During this event, teachers painstakingly go over a lot of information that will make your child's year a success. Endeavor to be there!

Curriculum Night: Parent Only Event

- **K-2:** Thursday, August 15th
- **3-5:** Tuesday, August 20th
- **Time:** 6:00-7:30 PM
