# UNIFORM PARTNER

At Great Hearts schools, the student uniform is an essential part of who we are and what we do. The uniform serves to unify our students as one community of learners, irrespective of our diverse backgrounds. The uniform also signifies to the larger community our common purpose and identity as schools in pursuit of the true, the good and the beautiful. Finally, the uniform frees our students to pursue their intellectual and moral development as individuals, without the distractions of fad and fashion. True individuality is formed in the heart and mind, not appearances.

Great Hearts Academy Lincoln is proud to partner with Dennis Uniforms.

# VOLUNTEERS

At Archway Lincoln we believe that the education of the child must involve the student, the teacher, and the parent. Parents are enthusiastically encouraged to volunteer at the campus. At the request of the teacher, they are welcome to come into the classroom to read, tutor, or help with clerical duties. We ask that parent volunteers attend a volunteer orientation at the beginning of the year and undergo a background clearance before working with students.

Archway encourages every adult—parents, stepparents, grandparents, aunts, uncles, and community members—to take a special interest in the lives of Archway’s students, to act as mentors and tutors, and to instill in every student a love of learning. Volunteers work in conjunction with the faculty to ensure the most effective education possible for their children. To this end, volunteers are responsible for knowing and understanding the contents of Archway’s family handbook and are encouraged, but not required, to participate on school committees and provide other volunteer services.

## Raptor Volunteer/Visitor System

We partner with Raptor Technologies to screen our volunteers and guests on campus. The safety of our students, faculty, and staff are of the utmost importance at Great Hearts.

The Raptor system will better allow us to track visitors, vendors, and volunteers in our schools and provide us with a safer environment for our students and staff.

### What does this mean for you?

Upon entering Archway Lincoln, all visitors will be asked to present a valid state-issued ID, which will be scanned into the system. It is important to note that the Raptor system only scans the visitor's name, date of birth and photo. Additional visitor data from the driver's license is not gathered nor is the system connected to any other system such as the Department of Motor Vehicles. Therefore, any other information on the ID is not scanned by the system and is not accessible to any of the users. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit.

If you are a **volunteer**, you will be required to check in with your valid state issued ID through the Raptor system before entering the campus. You will be given a volunteer badge to wear while on campus.

If you are interested in Volunteering for the 22/23 school year, please [complete and submit a volunteer application](#) **after** July 1<sup>st</sup>, 2022. Approved applications are valid for the current school year only and expire on June 30<sup>th</sup> of each year. Volunteers will have to reapply in July for upcoming school year. Please email [Archway Lincoln PSO](#) for Volunteer Opportunities

A visitor's badge will not be necessary for those who visit our school simply to drop off an item in the office or pick up paperwork. If a person does not have identification, he/she will not be given access to the building. If the person needs access, they will have to use an authorized form of ID to gain access past the front office.

If you are interested in learning more about the Raptor visitor management system, please visit the Raptor Technologies website ([www.raptortech.com](http://www.raptortech.com)) or visit <https://www.greatheartsamerica.org/volunteer/> to volunteer.

## After-School Athenaeum

**After-School Athenaeum** is focused on the liberal arts and promotes learning by providing students dedicated homework time in addition to a diverse array of culturally enriching, academically oriented activities beyond the classroom. Our activities and lessons are aimed at improving students' scholastic performance by reinforcing the lessons, virtues, and curriculum of the classroom.

But it's not all academics! Athenaeum scholars also enjoy time for recreation, games, socializing and just plain fun. Athenaeum runs daily from the dismissal bell (even on early release and half-days) until 6:00 p.m. Flexible and affordable options are available to fit any family's after-school needs.

*\*The Athenaeum (ath-uh-nay-uhm) was originally a school in Rome, founded by Emperor Hadrian in 133 A.D. for the promotion of literary and scientific studies.*

**Registration for the 2022-2023 academic year is [now open](#)!**
