

Classes for Students in Grades K - 5!

Drawing

Classes for Kids

Great Hearts Archway Lincoln

Young Rembrandts teaches drawing, the fundamental skill of all visual arts. Students are presented with a NEW subject matter each week. Through the proven YR teaching method, artists create this same subject while being introduced to various art skills and vocabulary. Artists are encouraged to practice their skills by re-drawing these subjects using their own creativity. Children develop increased patience and focus while gaining the confidence to use their knowledge and ability to create their own masterpieces! **Don't miss out! ENROLL NOW!**
