ARCHWAY CLASSICAL ACADEMY
LINCOLN
A Great Hearts Academy

This course introduces the fundamentals of robotics including building and battling bots. We will also cover some basic coding of the robots using a block coding language, similar to Scratch, but specific to VEX robotics kits. Students will work in teams of two. Robotics kits and laptops provided.

No prior coding experience is necessary, making this course perfect for anyone in grades 2-5 interested in starting their journey in robotics or programming. The tech club includes 13 sessions, skipping the following Wednesdays: 9/17, 10/8, 10/15, 11/5, 11/26.

Archway Lincoln // Grades 2-5

Preparing students for success
in today's tech-driven world.

Program Details:

- August 13 - December 10
- Session One 1:00-2:05 pm
- \$325 total for 13 sessions
- Laptops & VEX robotics provided
- iCode instructor-led activities
- Proprietary STEAM curriculum

Additional after school STEM programs available at our campus on weekdays and Saturdays.
