ARCHWAY CLASSICAL ACADEMY
LINCOLN
A Great Hearts Academy

**Additional classes & camps
available at iCode Chandler!**

**Wednesdays
8/19-12/9**

GRADES 3-5: WEBSITE DEVELOPMENT

**1:00-2:05 PM
\$299**

Students discover how websites are built using HTML and begin exploring the basics of CSS. Through hands-on projects, they build foundational web development skills while expressing their creativity through website design.

GRADES 2-5: ROBOTICS

**2:05 - 3:10 PM
\$349**

Students discover how robots are designed, built, and programmed using VEX IQ kits. Through hands-on engineering challenges, they develop foundational robotics, coding, and problem-solving skills while bringing their creations to life.
